BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subsections (b) and (e), Section 11.251, Education Code, are amended to read as follows:

(b) The board shall adopt a policy to establish a district- and campus-level planning and decision-making process that will involve the professional staff of the district, parents, and community members in establishing and reviewing the district's and campuses' educational plans, goals, performance objectives, and major classroom instructional programs. The board shall establish a procedure under which meetings are held regularly by district- and campus-level planning and decision-making committees that include representative professional staff, including, if practicable, at least one representative with the primary responsibility for educating students with disabilities, parents of students enrolled in the district, business representatives, and community members. The committees shall include a business representative without regard to whether the representative resides in the district or whether the business the person represents is located in the district. The board, or the board's designee, shall periodically meet with the district-level

1 committee to review the district-level committee's deliberations.

2 (e) The board shall adopt a procedure, consistent with  
3 Section 21.407(a), for the professional staff in the district to  
4 nominate and elect the professional staff representatives who shall  
5 meet with the board or the board designee as required under this  
6 section. At least two-thirds of the elected professional staff  
7 representatives must be classroom teachers. The remaining staff

16 (2) the selection of community members and business
